DRIVING POPULATION HEALTH EXCELLENCE

# Why attend a Signify Health 2024 Educational Summit?

Signify Health's Educational Summits are the events to attend for practical value-based care education and peer-to-peer networking opportunities. Healthcare professionals from across the country will convene to learn best practices, hear success stories, and connect directly with others in the Signify Health ACO Collaborative.

## In 2024, we'll be 'Driving Population Health Excellence'

- Our theme is 'Driving Population Health Excellence' and together, we'll focus on educating and empowering clinicians so they are in the driver's seat of population health.
- Primary educational tracks will include Foundational, Advanced, and Strategic sessions to meet our clients where they are in their population health journey.
- **Optional Workshops:** PHN 201: Advanced Health Coaching and our new AWV Bootcamp training will be available to attendees on March 6 in Phoenix and April 3 in Nashville. [Learn More>>](#)
- One-on-one training to get the most out of Signify Health Coach, our proprietary population health software.

## Do you have any suggestions on how to ask my employer for support and/or funding?

The 2024 Educational Summits Employer Justification Toolkit provides prospective attendees with the information and guidance necessary to communicate the benefits of attending and asks for professional development funding. It is recommended this document be used in conjunction with the [Educational Summits website](#) which hosts the most up-to-date information. Please be sure to reference your organization's respective professional development and travel policies when completing the cost analysis worksheet.

## Past Attendee Testimonials

"[My favorite presentation was] Dan Collard! It wasn't a peer presentation, but he is an excellent speaker who made me think about my role in healthcare, and specifically how I can help our organization as an ACO. Favorite peer presentation was Coding & Documentation: Sprinting to the Coding Improvement Finish Line. Learning how they approached the Sprint and after hearing their presentation, it decreased my anxiety about trying this in our organization."

Population Health Nurse, 2023 Denver Summit

"I am so glad you put this conference on and so close to home. We were able to bring our entire ACO TEAM from the nurses, management, and coders. Thank you for getting down in the weeds with us."

Practice Manager, 2023 Denver Summit

"My favorite presentation was on team-based care. I liked the interaction between individuals. Even though we didn't know each other we did similar things that made it really easy to talk with each other."

Practice Manager, 2023 Denver Summit

"Overall, the summit was awesome. It was nice to have it geared toward clinical practice, specifically. There were a lot of excellent takeaways and I was very impressed with all of the Signify Health staff!"

# Sample Employer Justification Letter

Dear [supervisor's name],

I am requesting approval to attend Signify Health's 2024 Educational Summit in [Phoenix, Arizona, March 7-8 OR Nashville, Tennessee, April 2-3]. This year's theme is 'Driving Population Health Excellence', and attending the Summit will afford me the opportunity to attend continuing education sessions, hear from healthcare professionals running successful value-based care programs, and network with peer organizations from across the country to learn best practices.

After reviewing the current agenda, I have identified several sessions which are directly applicable to my day-to-day work including:

- [insert session]
- [insert session]
- [insert session]

These presentations will be led by Signify Health experts, industry leaders, and clients who have demonstrated success in their areas of focus.

Registration for this event is free for Signify Health clients, but I am seeking support for the travel and rooming expenses. Continuing education units as well as five meals are included in the no-cost registration
